Re: Brett A. Lipeles, Exhibit & Display Consultants

To Whom It May Concern:

Brett Lipeles of Exhibit & Display Consultants has been supervising the maintenance, installation and dismantle of our tradeshow exhibit equipment since January 2000. He also coordinates the graphic designs and presentation. His services have been exceptional with particular attention paid to details. Our company has custom booth equipment that is exhibited twice a year. Our sales staff can arrive at the show facility with the confidence that everything will be in order.

Sincerely yours,
